

Personal Profile – All About Daniel, Year 5

My favourite things

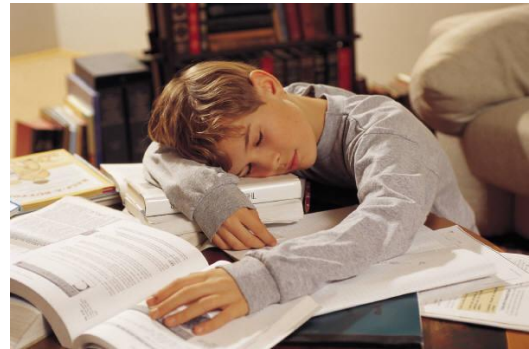

I like Cubs on Wednesdays
I like art sessions when we get to draw things and get tips from different artists
I like maths when it's fun and we do adding up
The Tudor topic & World War II
Writing my Soldier Survival Guide
When we're doing sports and can play for fun
I like going swimming

Least favourite things

Literacy, sometimes, because it's hard to do our best all the time
Computers and D.T.

I don't really like doing homework that much, especially if it's been a bad day, like if I've been upset or harassed (if people call me names)

My Strengths

Drawing and painting
Sometimes maths (but not all the time)
I like adding and I'm not too bad at dividing

My Dad tells me I've got quite good at kicking the rugby ball
(My Mum's going to put me in a rugby team)
I'm quite good at rugby
My friends say I have a good imagination
A good knowledge about history & World War II

My Difficulties

Using the computers and doing D.T.
I find it hard to use computers
I don't feel very comfortable in some places in school.
It's hard keeping myself happy.

I don't really like eating much at lunchtime.
I eat quickly because it only takes about 10 minutes and then the Year 5s & 6s are on the playground and they're the most trouble.
